

CCLI NEWS 2018-19

Teaming up with our Community & You!

The Climate Change Leadership Institute

DIRECT ACTIONS:

CCLI takes initiative in the following ways:

Supporting **youth led climate leadership** thru student climate action clubs, the annual **Art of Climate Justice** project & **paid student internships**. Our current intern named Roya, a senior at Santa Fe High School, won the 2018 contest w/ this painting (on left).

Keeping our commitment to *reduce emissions & help those in need*, we provide **weatherization & energy efficiency upgrades for low income households** thanks to a dynamic partnership.

Weatherization Works

Endowing - CCLI, LANL, LANL Foundation & YOU - the annual CCLI scholarship **supporting NM students in their pursuit of environmental science degrees**.

Teaming up with Quivira Coalition, CCLI is supporting **Carbon Ranching & Healthy Soil initiatives** to help NM's rural communities, ranchers, farmers & the ecosystem while fostering more soil based carbon sequestration alleviating the climate crisis.

Ramping up our **C Change Project** calling on us all to **embrace climate solutions:**

100% renewable energy, electric vehicles, carbon pricing, restorative agriculture, conservation & much more...

LEADERSHIP GRANTS:

CCLI gives out annual leadership/seed grant awards to acknowledge excellence & foster teamwork. 2018 categories/recipients are:

Education - Katherine Bueler, 8th Grade Science Teacher at El Camino Real MS, for outstanding commitment to community based learning & sustainability in the classroom.

Direct Action - Climate X Change for developing a local Carbon Fee & Dividend (based on Senate Memorial 23) which CCLI encourages us all to enact in the upcoming legislative session(s).

Innovation - Santa Fe Green Chamber of Commerce for supporting the local advancement toward electric vehicles & renewable energy only charging.

Conservation - NM Healthy Soil Initiative supporting NM ranchers & farmers thru restorative agriculture & soil carbon capture.

Justice - Deb Haaland for her historic candidacy & bold stances on climate & equity. CCLI gives this seed grant to **Native American Voters Alliance (NAVA)** in her name as we believe voter registration & voting (regardless of party affiliation) is vital to advance climate leadership.

Climate Courage Award - Governor Jerry Brown for outstanding leadership to restore the stability of our climate & integrity of our nation. A seed grant in his name goes to **Under2 Coalition**, working to prevent global temperatures from rising over two degrees Celsius.

Uplifting the community & combatting greenhouse gas emissions at once!
