The Santa Fe Seamstress
Design Center
418 Cerrillos Rd.
Santa Fe, NM 87501

To the Whole Team at the Santa Fe Seamstress,

In honor of your local and masterful mending of the community's clothing, thereby limiting the need to shop for new clothes and promoting greater conservation, we proudly present you with the 2021 Conservation Award.

The Climate Change Leadership Institute (CCLI) gives out 6 awards per year to those who make outstanding contributions in meaningful climate solution areas. You are being awarded for conservation because of the excellent work you all do taking such good care of people's clothing. Thanks to your business, our clothes can last longer, we don't need to buy as many new items and we can save more natural resources as a result.

Our organization and the whole community of Santa Fe thank you for all that you do taking care of one another and the environment.

With much appreciation,

Robb Hirsch
Founder and Executive Director
Climate Change Leadership
